Håkan Edeholt, PhD
The Oslo School of Architecture and Design

Tafaria

-once upon a dream-

CLIMATE CHANGE IS REAL

LET US STOP IT

WE COMBINED WATER, SETTLEMENT, SECURITY ETC.

Developing?

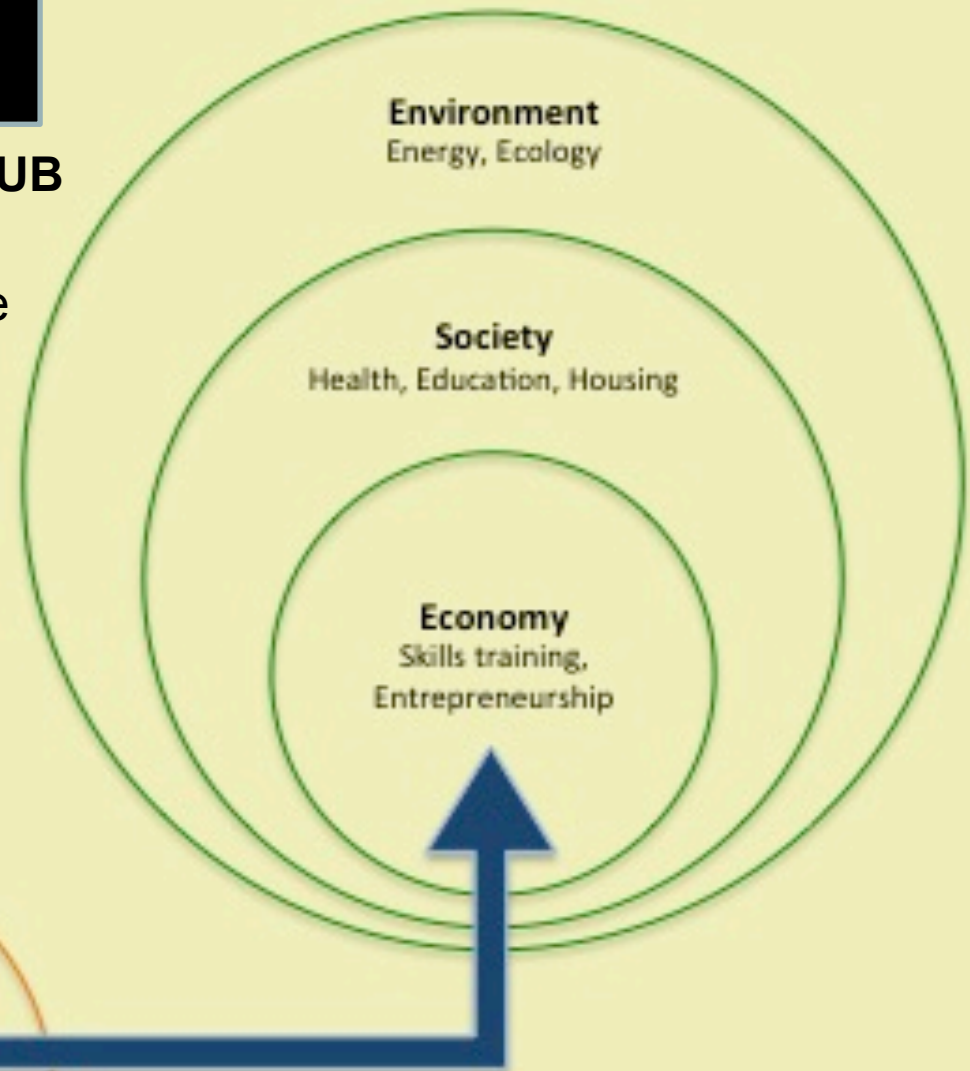

Sustainable Development??

Tafaria and its cHUB

The Art-in-Residence program cHUB

The overarching task for cHub is to develop an alternative rural narrative in which creativity, opportunity and beauty are deployed as drivers of economic, social and environmental transformation
